COCONUT PONCHE CATRACHO

• WARMTH IN A CUP •

CATRACHO COCONUT PONCHE

This beverage is a creative innovation of the traditional Honduras Ponche.
It is served with dehydrated apple slices and artisanal chocolate from Atucun, one of the most recognized chocolate producers in Comayagua and cinnamon cookies. Creating a balance combination of warm and homely flavors. Our product was created to offer a new experience flavor that showcase the culture of our country, support local products, and connect with people in this way.
